aerospace methods, geospatial technologies, remote sensing, school geography, teaching methodology

A Correction on

**Scientific and methodological foundations for integrating remote
sensing data into school geography**

By Laiskhanov S, Nurmagambetuly Z, Kaimuldinova K, Aliaskarov D, Abikbaev E and Bopiyeva A
(2026). Front. Educ. 11:1768464. doi: 10.3389/feduc.2026.1768464

In the published article, there was a mistake in the Funding statement. The funding information was incorrectly displayed.

The correct Funding statement is below.

Funding

The authors declare that financial support was received for the research and/or publication of this article. This study was funded by the Ministry of Science and Higher Education of the Republic of Kazakhstan under grant project IRN AP23487595, entitled 'Preparation of methodological developments aimed at developing skills in the use of remote sensing (RS) materials in school geography.' The article processing charge (APC) was also funded by this grant.

The original version of this article has been updated.
